
POL-ELIG-2025: Consortium Regulations on Student Competition Eligibility & Academic Standing

Authority: Academic Council & Board of Studies | Effective: January 1, 2025

Clause 1.1 - Undergraduate Class Standing & Semester Requirements

First-year through final-year BTech/BE students in good academic standing are eligible for open collegiate events. Events categorized as '2nd year+ engineering students' require completion of at least two (2) academic semesters of foundational coursework.

Clause 1.2 - Inter-Disciplinary and Cross-Department Team Formation

Students are actively encouraged to form inter-disciplinary teams comprising members across Computer Science, Electronics, Mechanical, Biotechnology, and Design departments without departmental restriction.

Clause 1.3 - Academic Standing and Active Backlogs

Students with active disciplinary warnings or having more than three (3) active course backlogs may participate in weekend events but cannot receive official college sponsorship or travel reimbursement.
